NUMBER 20

Eurekan Girls Win Society Tournament

Eurekans Defeat Excelsiors and Philos—Second Place Not Yet Decided.

The Eurekan girls basket ball team was victorious over the Philo girls in the game played Feb. 14. The score was 10-7. The game was fast and was a bit scrappy. Ruth Bookman and Lela Ulmer feel quite proud of themselves as forwards. All the points were made for the Eurekans by Ruth Bookman and for the Philos by Virgelia Birt, except the free throw which was thrown by Alma Eaton. The line up was:

Eurekans: R. Bookman, forward; L. Ulmer, forward; V. Briant, Jumping Center; M. Remus, R. center; A. Perry, guard; J. Miller, guard; W. Hulet, Sub.

Philos: A. Eaton, forward; V. Birt, forward; I. Rausin, J. center; E. Younger, R. center; L. Bonham, guard; I. Daniels, guard.

Feb. 16, the Eurekans won from the Excelsiors, the final score being 19-2. This game decided the intersociety tournament, making the Eurekan percent 100. Feb. 21, the Philos and Excelsiors played to decide the second place honors.

The Excelsior line-up was: M. Argo, forward; R. McElroy, forward; K. Terry, J. center; P. Griffin, R. center; D. Hinkle, guard; M. McGuire, guard.

The line up for the Eurekans was the same in all games except that Gartin played forward instead of Ulmer in the first game.

Pep Meeting Held.

A short pep meeting was held in the auditorium last Friday at 2:20. Several new yells were learned under the leadership of Sis Mapel.

It was resolved that if pep would win the game between Tarkio and the Bear Cats, we were going to win.

Miss Mildred Miller went to St. Joseph Thursday Feb. 17, where she heard a lecture by an instructor from Kansas University on tests of mental ability and their place in school work.

A class for the study of intelligence tests was organized by Miss Miller while in St. Joseph. The class is composed largely of principals of the ward schools and members of the teaching force. This is the twelfth extension class group in St. Joseph under the direction of S. T. C.

Miss DeLuce Discusses Art and Its Influence On Religion at Y. W. C. A.

Miss Olive DeLuce gave a very interesting and instructive illustrated lecture on "Art in Religion," at the regular meeting of the Y. W. C. A.

"The Study of art leads immediately to religion for architecture, sculpture, and painting have aided in the evolution and spread of religious thought."

Miss DeLuce discussed first the art of the pagan religions. In Egypt the tombs and the temples which housed the gods are the most important architectural remains that exist there. Ancient Assyria had a much less exalted religion, than did Egypt and for that reason there are fewer and poorer temples and less sculpture. The temples of Greece and the statues of their gods have hardly been surpassed. Roman art introduced new forms of architecture, notably the circular temple, but most of the Roman art was copied from the Greeks.

As Christianity spread there came a need of a building for worship. No statues were allowed but pictures representing scenes from the Bible were used for the purpose of educating the people. The high columns, narrow aisles and tall pointed arches carried the eyes upward and were so well suited to Christianity that we still use them.

The Italian painters of the Renaissance produced the great religious masterpieces, some of which are: Raphael's "Madonna of the Chair," Michael Angelo's "Sistine Madonna" and Leonardo da Vinci's "Last Supper."

After the Reformation, people began to take more interest in the homes therefore much of the energy of the artists was turned toward painting home life and landscape.

Secondary Students Have "Kid Party."

The students of S. T. C. who are of secondary rank were entertained at a "School Kid" party Tuesday Feb. 15, from 8 to 10, in the library. Aprons and overalls were the prevailing mode of dress. The evening passed quickly with the aid of music and games of various kinds. Refreshments were served cafeteria style, in tin pails and paper sacks. Besides the high school students those present were Dr. and Mrs. Keller and little daughter, Mr. and Mrs. Miller and Miss Hopkins. This occasion was one of the most enjoyable that the secondary students have had this year.

S. T. C. Lost Non-Conference Game At Tarkio Feb. 15—Score Was 32-22.

The Bear Cats lost a non-conference game to Tarkio last Tuesday evening at Tarkio by the score of 32 to 22. The game was not as good as was expected as the Bear Cats were not in true form and were greatly handicapped by the floor which was very slick. The game was almost too rough to be fast as many fouls were called. Tarkio had two men taken out for personals and the other three had three each.

For the Bear Cats, Kidney and Kirby played good ball and for the Tarks Patterson was the outstanding star.

The game started with a free throw by Kyle of Tarkio and the Tarks were able to hold the lead throughout the game. The first half ended with the score 15 to 3 in favor of them. In the second half the Bear Cats came back with a rush and soon the score stood 17 to 15 in favor of Tarkio. Then it seemed that luck was with them for they shot four field goals in as many attempts and thereby increased their lead so that the Bear Cats were unable to overcome it.

The game however, does not affect our conference standing.

Moles of the St. Joseph Hillards refereed the game.

About 30 rooters accompanied the team.

Executive Committee Plans Good Program for District Meeting.

The executive committee of the Northwest Teachers Association met at the Robidoux Hotel in St. Joseph, February 12.

The committee consists of Myrtle McPherron, President of the Association, Supt. of schools at Martinsville, Elizabeth Brainard, Supt. of schools in Grundy County, S. W. Skelton, Supt. schools at New Point, W. A. Power of Harmony Consolidated schools, and C. A. Hawkins, Secretary of the Association.

All of the members were present. The purpose of the meeting was to canvas available talent for the programs at the district association next fall. A list of possible, available speakers was selected and the president was authorized to communicate with them.

It was the opinion of the committee that a large attendance could be counted on and accordingly plans to arrange for the best program yet given, were made.

Bearcats Close B.B. Season With Victory

Defeat Tarkio 26-17 in Fast Game—Mock Wedding Entertains Spectators.

Revenge is indeed sweet. The Bear Cats won from the Tarkio quintet in the last game of the season by the score of 26 to 17.

The game was fast and scrappy and at all times the spectators were treated to some real basket ball. Turner was the outstanding star of the game making 17 of Maryville's points. Kyle played stellar ball for the visitors.

The game started with a rush and for the first few minutes the Tarks were in the lead but a field goal and two free throws by Turner gave Maryville the advantage which she held thruout the game. From early in the game, the Bear Cats stayed well ahead of the visitors.

The line-up was as follows:

Maryville: Points: Kirby 2; York 2; Kidney 5; Turner 17; Wells 0; Houchens 0; Sawyers 0; Stewart 0.

Tarkio: Points: Kyle 11; Patterson 0; Williams 0; Littell 0; McCoy 0; Park 6.

Houchens, Sawyers and Stewart were sent in as substitutes for Kirby, York and Turner in the last few minutes of play.

Between halves a mock wedding was held in which Victory was to be married to Tarkio but Maryville intervened and ran away with the bride. James Draper made a beautiful bride and Paul Pickens was a handsome groom. Sis Mapel was a most eloquent preacher and Vesper Briant's song was worthy of an opera star. Beautiful flower girls, six bridesmaids, the best man and the father and mother of the bride completed the party.

Leaston Webb as the brave Lochinvar from Maryville rescued the reluctant bride by a bold swing from the balcony just at the critical moment, and poor Tarkio was left without any Victory to take to his home.

The yelling thruout the game was exceptionally good and an abundance of pep was shown.

Mr. Kutschinski and Miss Aroline Smith went to Kansas City Feb. 20 to hear the concert given by the La Scala Orchestra of Milan, Italy.

Miss Smith also attended the meeting of Kansas City Music Teachers Association.

THE GREEN AND WHITE COURIER

Here and There Among the Colleges

In-the-State

William Jewell defeated the Missouri Wesleyan team Feb. 2, with a score 35-15.

The Blue Jays of Westminster College defeated the Eagles of Central Feb. 3, with a score 43-22.

The Students of Missouri University raised about \$500.00 for the European students relief fund. Of this, about \$400.00 was realized from a benefit theatrical performance.

The 1921 Journalism week at the University of Missouri will be held from May 23 to 28 inclusive. This gathering will mark the thirteenth year of the organization of the school at Columbia, which is the oldest Journalism school in the United States.

The University of Missouri, and the Rollo School of Mines together have fifty-four buildings. Forty-three of these are at Columbia, where will be found all the divisions of the University except the School of Mines and Metallurgy which is at Rolla.

Dr. Herman Schlundt, professor of Chemistry in the University of Missouri, will spend his time during a leave of absence in the Cavendish Laboratory at Cambridge University, England. He will be associated there with Sir Ernest Rutherford in the study of radioactive substances and their radiations.

Out-of-the-State

Princeton University, thru its board of trustees, has announced the establishment of 120 prize memorial scholarships of an annual value of \$200.00, which with twenty-nine scholarships already founded by private gift, will commemorate the memory of 146 Princeton men who died in military or naval service during the war.

The Joseph Medill School of Journalism of North Western University will be established within the next few months with the plants of the Chicago daily newspapers available as laboratories for students, Prof. Walter Dill Scott, president of Northwestern has announced. The project was suggested to the trustees of the University by Robert R. McCormick and Joseph Medill Patterson, editors of the Chicago Tribune, in memory of their grandfather, Joseph Medill, founder of the Tribune.

The students' part of the drive for a million dollars to build a stadium and Kansas union building at the University of Kansas as a memorial for the K. U. men who died in the world war, will go well over the

\$160,000.00 quota when the final pledges are in.

Class Have Program

The class of English 111a gave a Washington Program Feb. 18, which consisted of the following numbers:

Song, America Class
Quotations from Washington.....Class
Story of Washington's Life
..... Louise Horn
Home Life of Washington
..... Bessie McElroy
Lessons from Mt. Vernon
..... Mrs. Tarpley
Presidency of Washington
..... Helen Davison
Washington as a General
..... Donna Hinkle
Oration on Washington
..... Arthur Reed
Points from Washington's Address
..... Dora Lockhart

Mr. Colbert Speaks at Pattonsburg.

Dean Colbert spoke at Pattonsburg, Tuesday evening Feb. 15. His subject was "Adjustment of Equipment and Added Needs."

About one hundred members were at the association. A very interesting program was given consisting of music and talks. The association voted to purchase a victrola for the grade school.

The ladies served refreshments consisting of hot chocolate and wafers.

The school at Pattonsburg has outgrown its building. The present building is meant to accommodate about two hundred and fifty students, while the enrollment is four hundred. The people at Pattonsburg are planning to vote bonds for a new High School building.

Celeste Holton of Burlington Junction is a new student at the Conservatory.

Mr. Hawkins made a business trip to St. Joseph Feb. 12.

The Daleview High School will have four graduates this spring. The commencement exercises of the school will be held May 9. Supt. Montford has written to secure Dr. Keller to make the class address.

Many students noticed the action of the flagpole Feb. 15. The high wind caused the top to move back and forth for some distance. Desiring to know the distance thru which it moves and wondering how far it would increase the vibration if it were some twenty or thirty feet higher we pass the problem on to the mathematics class hoping they will report later.

Ruth Bookman spent Saturday Feb. 12 in St. Joseph shopping.

Misses Wilfley, DeLuce, Dow, Margaret James, Minnie James, and MacLeod motored to Tarkio Feb. 15, to attend the Tarkio-S. T. C. game. They took dinner at the "Walnut Inn."

Valentine Luncheon in Demonstration School.

At noon on St. Valentine's Day the children of the Demonstration School enjoyed a Valentine luncheon. The Luncheon was held in the kindergarten room, the room being very attractively decorated with red hearts. The tables were arranged in a hollow square. At the place of each child was a Valentine, an apple, a stick of candy, and a cup of chocolate beside his own basket of lunch.

The children are planning a patriotic luncheon to be given before the month of Feb. has passed, so that they will have more practice in preparing for luncheons.

Miss Fannie Hope, grade supervisor in the Maryville public schools is giving mental tests in arithmetic classes. She visited the college Feb. 14, securing some available material that she might use in the work. She expressed her appreciation of the co-operation the college is always ready to show anyone desiring information.

Mr. M. G. Saunders and his daughter visited the college Feb. 14. Mr. Saunders is a lawyer in Pueblo, Colo., and a member of the National Democratic Committee from that state. He was on his way to Washington, D. C., to attend a meeting of that committee. Mr. Saunders lived in Maryville when a boy and studied law here.

Miss Winn went to Albany Wednesday, Feb. 16, to meet her extension class, English 170. Those who are enrolled in the class are: Lola Cranor, Maude Jones, Blanche Rigney, Alwilda Cranor, Gussie E. Dills, Elizabeth Robertson, Hester Cranor, Cassie Burke, T. E. Dale and Earl Duncann. Of these all except Miss Burke are alumni or former students of the College.

Worth While Readings.

"American Experiment in Free Higher education," School Review, Feb. "Half Way Learning," School Review, February. "The Lincoln They Saw," The Outlook, February 9.

Miss Anthony, Miss Dow, and Mr. Colbert completed their extension work at St. Joseph, Saturday, February 12.

Mr. Swinehart was ill last week and was unable to meet his classes.

W. A. Powers of Harmony was in St. Joseph, Feb. 12.

W. A. Blagg, president of the board of regents, was in St. Joseph, Feb. 12.

The athletic field to the north of the building has been dragged and rolled. Early work done on the track will put it in better shape for the spring meet.

Former Student

Made County Superintendent

Miss Sarah Power has been appointed County Superintendent of Schools for Mercer County. She takes the place of Miss Agnes Rank who has become the State Rural School Inspector. Miss Power will attend the College the spring and summer quarters.

Dr. Keller went to Dearborn, Wednesday, Feb. 16, to speak at a meeting held that evening to discuss consolidation.

Miss Sarah Hougham spent the week end, Feb. 11-13 in St. Joseph as a guest of the E. M. and E. L. Platt families.

A daughter of Mr. and Mrs. E. M. Platt, Mrs. Louis Platt Hauck, is the author of "Missouri Yesterdays" a book of delightful stories of Missouri history, copies of which have recently been received at the library.

President Richardson went to St. Joseph and Kansas City last week end on business for the College.

A stringed trio from the College Orchestra gave one of the numbers on the program given by the Maryville Concert Band, Sunday afternoon Feb. 13. This trio was composed of Maude Kibbe, Ray Rickman and Mr. Kutschinski.

Notes of the Men's Meeting.

Dr. Hobbs finished the last of his series of talks to the young men of the college Wednesday, Feb. 16. He urged that those who intended going out for track work to get busy at once. Even though the students do not go out for track the training would improve their physical condition. After a short discussion the rest of the period was spent in singing.

Mr. Swinehart, Mr. Steinsmeyer and Dr. Keller acted as judges in a debate between Ravenwood and Benton High School. The debate was won by Ravenwood.

Miss Hettie Anthony was the dinner guest of Miss Calla Varner of St. Joseph, Saturday, Feb. 12.

Misses Clio Coler and Audrey Craig both of Maryville, were visiting friends at the College, Tuesday, Feb. 15. The girls have been attending the Business College at Chillicothe, Mo. Miss Coler attended the Teachers College last year.

Mr. Colbert spoke at the Parent-Teachers Association at Pattonsburg

Miss Anthony and Mr. Colbert were honor guests at a delightful luncheon given at the Robidoux Hotel in St. Joseph Feb. 12. The luncheon was given by those who took extension courses under the direction of Miss Anthony and Mr. Colbert.

WEDNESDAY, FEBRUARY 23, 1921

Young men and women should go to college not only with burning purposes to accomplish something for themselves but with the ambition to do something for the world after graduation.

Who's Who Among the Seniors.

Miss Winn—Business Adviser.
Miss MacLeod—Social Sponsor.
Charles Wells—Senior President, Captain basket ball team.
Jessie Murphy—Vice-President Y. W. C. A. College Supply Storekeeper.
Alma Lucas—Alumni editor, Assistant in the library.
Ada Dinsmore—Senior representative on the Courier staff.
Olivette Godsey—Vice-President of class. Associate editor of the Courier.
ViJune Colden—Assistant in home economics.
Edith Holt—Editor-in-Chief of the Courier, Latin teacher, assistant in the library.
Minnie James—Assistant in the Commercial department, Secretary senior class.
Wave Hulet—Prominent Y. W. C. A. worker and loyal Eurekan.
Ira Fantz—Reporter on the Courier staff.
Nelle Hudson—Private Secretary to President Richardson.
Bernice Rutledge—Teacher in the College Park Demonstration school.
Mary Wooldridge—Assistant in home economics.

The Lament of a Chemistry Student.

Prof. Wilson is my teacher, I shall not pass,
He maketh me to expose my ignorance before the class;
He maketh me to do experiments for my soul's sake.
Yea, though I study until midnight, I shall gain no chemistry
For H. S. bothers me and Cl. sorely troubles me.
He prepareth puzzles for me in the presence of my classmates;

Surely zeros and conditions will follow me all the days of my life
And I shall dwell in the Chemistry class forever.

Alumni Notes

Nell Cranor, 1918, a teacher in the high school at McFall and Crystello Cranor, 1919, one of the high school teachers at Burlington Junction, came to Maryville for the basket ball game, Feb. 11, and spent the week end with friends in Maryville.

Jennie Getz, 1920, was a guest at Perrin Hall Feb. 12-14. She is teaching in the high school at Barnard.

Alyce Leeper, B. S. 1920, spent the week end Feb. 11-13, with friends at Perrin Hall.

Mr. Foster saw Earl C. Borchers, 1916, in St. Joseph Feb. 12. He is now a life insurance agent.

Eight Kansas City members of the Maryville Alumni enjoyed a luncheon at Wolferman's Tea Room, Saturday afternoon, Feb. 12.

The luncheon was followed by a matinee party at the Newman.

Those present were: Misses Marie Alleorn, Frieda Shaffer, Annette Simmons, Mabel Curnutt, Minnie and Bessie Turner, Myrtle Hogue, Mrs. Mary D. Lawrence, and one guest, Mrs. L. D. Shaffer.

Frances Holliday, B. S. 1920, spent the week end, Feb. 12-13, at her home in Maryville.

O. E. Jones, B. S. 1920, is Supt. of schools at Albany and Gussie Dills, 1920, teaches freshman and sophomore English in the high school there.

Assembly Notes.

Miss DeLuce gave an interesting and instructive talk at assembly Feb. 15 on the subject of "Art in the Home." A part of her lecture was illustrated with colored slides.

Miss DeLuce gave some very valuable points to aid the students in looking at the pictures in the art exhibit. She said, "Look at the things you see. Let the picture suggest a train of thought."

A picture must be pleasing and to be pleasing it must possess unity and variety. Our interest depends upon whether we are educated or not.

Pictures have followed the direction of civilization. The first pictures of the old world were religious pictures; then came Roman art with mythology for its subject. Historical paintings with battles and incidents of history as the material used came as the next step. Then the world of art gave more attention to the individual and we had pictures of peasants and incidents concerning current life.

Miss DeLuce has an excellent background for her work in art. Her ancestors were concerned with the founding of the National Academy of Art. Her father was an artist and worked in Paris and elsewhere in Europe. Miss DeLuce knows art from the artist's point of view.

Literary Society Notes

Philomathean

The program Feb. 17, was as follows:

Violin SoloRay Rickman
Oration, "The Philomatheans, The Lovers of Learning".....Ora McPherron
TalksMiss Dow and Mr. Miller.

The play "Quality Street" will be given some time the last of March for the benefit of the French war orphan.

Maud Fleming was chosen as Philo staff representative for the spring quarter.

Eurekan

The Eurekans were disappointed Thursday Feb. 17, as one of the debaters was ill and the debate had to be postponed a second time, however, the meeting was well worth while. Alva Burch gave an extemporaneous talk and new officers were elected. These will be reported later as a mistake was made and have to be corrected.

The attendance was good and much enthusiasm was shown. We mean to "keep it up."

Excelsior

Program for Feb. 17:

Roll Call.....Quotations from Longfellow
Piano SoloBessie Haskell
ReadingDonna Hinkle
Vocal SoloCharles Elmore
Piano SoloCecil Messenger
Extemporaneous Speech

.....Marshall Long

The Excelsiors gave a party in honor of Cecil Messenger at the College Friday evening, Feb. 11, from 6 to 7:30. Games were played and refreshments of fruit salad, wafers and cocoa were served. Mr. and Mrs. Harry Miller were guests of the society.

The society gave a line party at the Empire Theatre Saturday night, Feb. 12, in honor of Cecil Messenger who is to leave soon for Rapid City, South Dakota to make her home. Refreshments were served to the party at the Candy Kitchen. Those present were Gladys Hahn, Mrs. Laughlin, Donna Hinkle, Bessie McElroy, Bernice Booker, Iva Griffin, Kathryn Terry, Myrtle Argo, Mildred Knecht and the honor guest.

Eurekans Receive Letter From Big Bill Richards.

The Eurekans received the following letter recently.

Eurekan Literary Society,
Maryville State Teachers College,
Dear Friends:

Upon reading the last issue of the Green and White Courier, I note the announcement of the spring contests, an annual affair which always attracts the interest of all loyal Eurekans. Because all loyal Eurekans are scrappers and will wage battle to the last ditch whether in or out of the contest. In fact I think you should all adopt the personal question "Am I doing all within my power to maintain the high standard of contesting that was so nobly advanced by a

bank of Eurekan Freshmen contestants in the last contest. Did you realize that our contestants last year were composed of eight Freshmen, one Sophomore and one Senior, and that six of the Freshmen were awarded first places. An admirable record, I claim without trying to gain self praise. They were not brilliant minds but loyal Eurekans who never say die. They were members who lived day and night previous to the contest with theme, debate or whatever form they were contesting in, in order to place the old blue and white colors above all others.

It is time to draw the swords of contest. It is up to each of you to decide whether you will advance in solid phalanx or sneak behind the bush of "to busy with my class work," in cowardice.

You are the largest in numbers in years, and with plenty of "pep" should romp again.

All old members have their eyes on you wishing and praying for another victory. Will you please do us a favor, so that our hearts will vibrate in joy at the thought of being an ex-member of the best society of all.

C. T. RICHARDS,
"Big Bill."

Dr. Keller Visits Edgerton

Dr. Keller attended a meeting at Edgerton the evening of February 16. The speakers of the evening were Dr. Keller, assistant Superintendent Liv-ers of St. Joseph and Miss Gertrude Fulcher.

After the speaking, lunch was served cafeteria style, after which everyone enjoyed the good social time that followed.

The citizens are trying to consolidate four rural districts with the town school district.

The town school is doing four years of accredited work. The teachers speak well of the community and the community is standing back of the teachers and school work. The school spirit of the school and patrons is good and all extremely interested in the work. A large crowd attended the meeting. That they are backing the school with funds as well as spirit is shown by the fact that their tax is 260.

Among the faculty at Edgerton are R. W. Stagner, Supt., Mr. Creek, Prin. and the Misses Creek and McDonald high school teachers. Mary Ellen Singer and Miss Jones teachers in the school are former S. T. C. students.

Miss Creek is from Stephens College and roomed last year with Vesper Briant, one of our students.

While there Dr. Keller met Mr. E. B. Bayley and Mr. Gabbert.

Mr. Bayley is the editor of the Edgerton Democrat and was a classmate of Dr. Keller in the school of Journalism.

Mr. Gabbert is president of the bank. Both men are good friends of S. T. C.

News of Northwest Missouri High Schools

Stanberry

Stanberry High School boys defeated the Hopkins boys at Stanberry by a score of 29-36. Chatten of Stanberry was the star.

The McFall girls defeated the Stanberry girls by a score of 10-18.

Daleview

The community singing and spelling match held at the schoolhouse Feb. 4, furnished a very interesting program for the evening. The words of the songs used were thrown on the screen. In the first spelling match, which was spelled railroad fashion the team with Harold Hodgins as captain won. In the second match, which was on words taken from the spelling book, Miss Strickler's team won, Walker Davis being the champion speller.

The Roosevelt Literary Society held their first regular meeting, the afternoon of Feb. 4. The principal feature of the program was a study of the constitution.

Excelsior Springs

The data upon the scholarship standards for the second quarter has been compiled. The encouraging fact of this work is that the entire group has increased its percent of scholarship. The Seniors are still in the lead; the Sophomores have made great improvement now being in advance of the Juniors. The boys in athletics continue to maintain a standard above that of the average for the whole school.

Spring athletics in the form of track work has begun.

The Excelsior Springs basket ball girls lost to the Richmond girls at Richmond Feb. 11 by a score of 19-16.

Bigelow-Graham

Bigelow High School defeated Graham High School at Bigelow Feb. 11 by the score of 28-14. This makes six games won out of seven played for the Bigelow team.

Lafayette-Cameron

Lafayette High of St. Joseph defeated Cameron High School of Lafayette's court Feb. 11 by the score of 18-17. It was a close game and, it was anybody's contest until the final whistle blew.

Central St. Joseph-Maryville

Central High School of St. Joseph defeated the Maryville High School, in Central's gymnasium Feb. 11, by the score of 24-14. Central made very effective use of the five men defense.

Martinsville

Miss Myrtle McPherron, superintendent of the school, went to Jefferson

City, Feb. 8, to attend the conference meeting.

Miss Dorothy Dale, instructor of home economics, Mildred Baxley, Lulu Kidwell, and Laberta Kidwell went to Columbia "Farmers' Week." The girls represented the school in the sewing and foods department. Miss Dale reports that the girls did fine work although they won none of the prizes.

The Community has organized a debating society which has been named the "Worth While Society." It meets every other Thursday evening.

The debate, Feb. 10, was: Resolved: That the County Unit Bill would promote education in Missouri. Each side was supported by two high school boys and one patron of the district. The affirmative won. All the patrons seem to be in favor of the bill without the amendment.

The Freshmen held the funeral services for Mr. Bad English at assembly Monday, Feb. 7. The funeral march was played while the pall bearers brought in Mr. Bad English placed in a wooden box. They were followed by Mrs. Bad English and her eight children, Chewing Gum Lix, Somethin, Wuz, Hain't, Ain't, Gosh, O Shoot, and Orter.

The chorus sang, "Gone are the Days of Mr. Bad English." The obituary was then read. After everyone had marched around and had viewed the remains the Devil came in with his pitchfork and carried Mr. Bad English away.

A Meeting of the Superintendents of Harrison County was called by E. Newton Carter, Saturday, Feb. 5, at Bethany, for the purpose of organizing the schools of the county into an association promoting school activities. Officers were elected as follows:

Mr. Culp, Supt. of Schools at Ridge-way—President.

Mr. E. R. Adams, Supt. of Schools at New Hampton—Secretary and treasurer.

Miss Myrtle McPherron, Supt. of Schools at Martinsville—Publicity Chairman.

Good plans are under way.

McFall-Conception College

The McFall boys' basket ball team met the quintet from Conception College on the McFall court, Feb. 9. The game was unique in that at the end of each half the score was a tie; in the extra five minutes, the score resolved itself into a victory for McFall 23-22.

The McFall team has won seven out of the nine games played.

Savannah

The high school and grade pupils were treated to a patriotic picture play, Friday, February 18. These

show Feb. 3. The pictures were presented at the Globe Theater by Mr. Genther. The firm showed the grand parade in France on July 4, and the way in which the celebration was carried on.

The Junior class gave a box supper Wednesday night, Feb. 2. A good program was given. The proceeds from the boxes amounted to \$12.00.

Forest City

Sterling L. Williams spoke at the high school assembly Jan. 28. He had as his subject, "Hash." During his talk he made the assertion that he would like to place this motto in every school of the United States, "There is no expediency to which people will not go to avoid the pain of thinking."

The class in book-keeping has completed the fourth set in the Miner and Elwell course. They have been studying the Burrows calculator and adding machine. Miss Bertha McFarling teaches this work.

The physics class has performed forty experiments. The study of electricity has recently been completed and as an introduction to the study of light some phases of astronomy are being taken up. Miss Elsie Houston has charge of this class.

The agriculture class has completed a seven day test on the production of milk and butter fat of a Jersey cow. Window-box planting and seed corn testing are being studied now.

The boys' basket ball team played Maitland Jan. 21, at Maitland, losing by a score of 27-14. The girls won from the Maitland girls by a score of 31-13.

The boys and girls played with Oregon, Jan. 28, both teams winning. Both teams were successful against Graham, Feb. 4.

Bigelow-Graham

The Bigelow "Yellow Jackets" played the Graham quintet Friday, February 11, at Bigelow. The "Yellow-Jackets" won by a score of 38-16.

Elmo-New Hampton

The New Hampton boys' basket ball team played the Elmo team Wednesday, Feb. 16, at Elmo. The final score was 44-20 in favor of New Hampton. Brown starred for the winners.

The New Point boys' basket ball team played the Forest City team Friday, February 11, at Forest City. The score during the first half was 22-6 in favor of New Point. In the last half each team scored 22 points making the final score 44-28 in favor of New Point.

New Point went to Rosendale to play, Friday, February 18. These

teams are of about equal strength.

The Sophomore class gave a valentine party to the high school students, February 12. The party was given in honor of the senior class.

Westboro

Miss England attended the Superintendents conference held in Jefferson City, February 3. While there she visited the legislature attending during the hearing of the County Unit Bill.

The Tarkio High School team defeated the Westboro five, February 4, the score being 31-13.

New suits have been secured for the ball team and the boys are anxious for the next game.

Husky Hikers Still Hiking.

The Husky Hikers are busy again Sunday afternoon, Feb. 13, a group of nine girls took a hike northwest from town. The roads were better than they expected and the five and one half mile stroll was enjoyed more than an automobile ride taken in the same time.

On Tuesday afternoon again ten of the hikers set out on the same route. Ambitions grew, and when they were four miles out from town they decided to hike on into Wilcox and return by train. A delicious and ample supper had been prepared by Ruth Bookman and Ethel Andrews and it was thoroughly appreciated by the hungry girls. The group arrived in Maryville penniless, dusty and tired but very proud of its nine mile hike.

Miss MacLeod Gives Talk to Teachers.

Miss Mary MacLeod, of the physical education department gave a talk to the teachers of the Vitalized Agriculture Conference at the courthouse, Feb. 12. Miss MacLeod conducted the conference and in her talk emphasized play. She gave the teachers an outline of play and the things could be made for play one week. This outline included indoor and outdoor games, active and quiet games. The Vitalized Agriculture Conference is held every two weeks.

Thursday, Feb. 17, Mr. and Mrs. Rickenbrode entertained the new out of town members of the faculty at a bridge party. Delicious refreshments were served and the guests report that they had a most delightful get acquainted time.

Jerene Neal, a former student of S. T. C., who is teaching in Bedford, Ia., writes Miss Arnett of an exhibit of her years' work which she had on display in Bedford last week at the annual teachers' institute.

Brand New Frocks
FOR GIRLS!

JUST as jolly and as gay as a girl herself in Spring are these attractive new Frocks of twill, taffeta and Canton crepe. Many are made with the youthful Moyen Age lines, all are so genuinely clever and likeable that girls are certain not to wait until Spring actually arrives to buy one. As attractive as the style are the moderate prices for girls' Frocks. From

THE GREEN AND WHITE COURIER

The Stroller.

While the Stroller was investigating the library last week, the seniors slipped one over on him and she did not get to announce the engagement until after it had been given to the whole world. He fully intended to attend that party as she had so much fun at the last one; but the Stroller is always self-sacrificing and duty to Mr. Wells kept him there so long that the seniors had placed a guard in the room and he had no chance to hide behind Mrs. Perrin's desk. He did hear, however, that both Ira Fantz and Alma Lucas made speeches telling Olivette how to manage a husband.

Those senior parties seem to make Miss Winn reckless. This time she confessed to heavy purchases of silver ware. The Stroller has decided upon this motto for the class: "Steal chickens and buy what you want."

Mr. Swinchart was unable to meet his classes last week after his return from Kansas City. That sounds interesting—the Stroller may go down next week himself.

Mr. Colbert reading from Thackeray: "Any woman can marry and marry whom she pleases."

Miss Ballard, very emphatically, "That is not so!"

The Stroller peeked in at the Excelsior party Feb. 11 and saw Mr. Miller sliding down the kindergarten slide—What next?

The Stroller heard that Lee Meek just simply broke his car all to pieces from over-loading it going to Tarkio. The Stroller wants to commend Meek on his desire to have a large crowd to back the team.

It seems as tho the lady members of the faculty have put one over on the men. The Misses Wilfley, Dow, DeLuce, MacLeod, Minnie and Margaret James drove to Tarkio to attend the game. In the future the Stroller will expect the men to do double duty at home to even things up.

The boys did not like to see such loyal supporters disappointed twice, therefore they decided there was only one thing left to do and that was to BEAT TARKIO. Well, didn't they do it? The Stroller says they did.

Progressive Work Being done in Schools of Nodaway County.

Miss Mildred Miller visited several of the rural schools of Nodaway County recently and found the project work being carried forward very successfully.

Miss Alma Mack is the teacher of the Mt. Pleasant school and has ten pupils enrolled with five enrolled in vitalized agriculture. The school is well equipped, part of the equipment being electric lights, a victrola and thirty records, three hundred volumes of books besides an International dictionary and the bulletins of Vitalized Agriculture, a good globe and maps.

The children gave good talks telling of crop rotation and they had a very good exhibit of weeds found in cornfields and meadows.

The Union school is taught by Miss Nell Cannon and twenty-one pupils are enrolled with eight in Vitalized agriculture. The library of this school consists of four hundred and twenty-five volumes, bulletins and the dictionary. Good maps and a globe and a large American flag were part of the equipment. Two community meetings have been held at the Union school.

The work discussed at this school was labor saving devices, rotation as a means of fertilization, and drainage.

The Myrtle Tree school is taught by Miss Lorraine Hathaway. This school and the Union school both have gasoline lights. Miss Hathaway has twenty-nine pupils and at the Teachers Meeting last fall they took nine prizes. In the vitalized agriculture there are seventeen pupils. In the library of this school four hundred thirty-five volumes, a dictionary and the bulletins can be found.

The children discussed labor saving devices for the home and the health crusade.

At noon a hot lunch was served to the school and the visitors.

The Herron, the Garrett and the Rockford schools were visited by Miss McGruder, Mr. Cooper, Mr. Burr and Maude Fleming.

The Herron school is taught by Miss Mary Sawyers, with eleven pupils enrolled in the school, six of whom are also in the vitalized agriculture class. Part of the equipment is a victrola and twenty records, a globe, seven maps, and two hundred and ten books. The projects that have been completed are: the health project, exhibit table, wood exhibit showing woods from twenty-eight different trees, and a kitchen dolly.

One community meeting has been held at this school.

Miss Hoshier teaches the Gariett school and has sixteen children enrolled. There are six children in the vitalized agriculture class. Some of the equipment of this school is a library of two hundred and six volumes, a piano globe, six maps. Projects in this school have been: remodeling of school building, hot lunch, drainage and erosion, how the teacher gets her wages.

Two community meetings have been held at this school.

The Rockford school is taught by Miss Rose Shinabargar. This school has two hundred volumes in its library. Other equipment is an organ, a globe and four maps and a splendid vitalized agriculture chart. Projects that have been completed are: public nuisances, drainage, four year rotation plans, teachers wages. This school has an improved drinking fountain, and hot lunches are served. Four community meetings have been held and also a community Christmas tree.

Departmental Notes

Dramatic Expression

Those who saw the three groups of scenes presented by the students of the class in Dramatic in Assembly Feb. 8 will be interested to know that a continuation of the same course will be offered during the spring term. Students who have not taken the courses previously offered may be admitted to the course upon consultation with Miss Dow.

This should appeal strongly not only to those students who have a special interest or liking for Dramatics, but to members of the Senior Class and others who expect to teach next year, as special instruction will be given along the lines of play production to meet the needs of prospective teachers. The technique of coaching and presentation will be considered in connection with the regular work in dramatic expression. A large enrollment is very desirable as it makes it possible to work on a greater number and a greater variety of plays.

English

Any student taking Chemistry who wants to take English 104 may plan to do so. Special provision will be made so there will be no conflict between laboratory periods and the English class.

Science

The bacteriology class are making identification study of the different bacteria. They are making sets of slides for their own permanent use. Cultures of clover nodule bacteria are being made on the commercial plan.

Biology 11, which has been based on objective outline is summarizing the facts learned on the basis of general principles and laws. The last week was devoted to appreciation of literature, art and master interpreters of nature.

History

The work for the spring quarter will be a continuation of the work done during the Winter term. The third quarter in each course will be offered.

Education

The rural school methods class has just completed the gathering of data for the Missouri Day project. The girls have been aided very much by material which they were able to gather from local sources.

Manual Arts

The Kindergarten children visited the Manual Arts department Feb. 16. They were taught the more simple details of the work. They succeeded in fixing a new leg for one of their tables.

Mathematics

The Mathematics department will offer in the spring quarter all the regular courses given now, and in ad-

dition, a course in astronomy. A full program will be posted this week.

Physical Education

Mr. Rice is offering a new course in Physical Education, called Theory and Practice of Educational Gymnastics. This course will meet the probable requirements of the new law which is expected to be passed regarding Physical Education.

Public Speaking

Mr. Miller will offer several interesting courses during the spring quarter. In the course called the "Oral Interpretation of the Drama," some studies of the modern drama will be included, and also of the moving picture show. The fourth year term of high school "Oral Speech" will be given, as this is a required subject for the secondary course. "Extemporaneous Speaking" and an advanced course in "College Debating" will be offered.

There has been a greater demand from this department for debating material and plays, than ever before. The calls are coming not only from Missouri but from other states. This shows that the high schools are becoming more and more interested in the advantages of oral speech.

Myrtle McPherron, superintendent of Martinsville schools, has written for debating material. C. T. Collier, a former student of S. T. C., teaching at Weston, Missouri, has asked for plays.

Monday Feb. 21, Iva Lape and Jesse Boatman debated the affirmative of the inter-collegiate debating question, against Kathryn Terry and Jeannie Blacklock.

Books for Students of Missouri History.

As this year marks the one hundredth anniversary of the admission of Missouri into the Union, a study of our state at this time is very appropriate. Below are a number of books recommended for the teaching of Missouri in the elementary schools.

In Missouri Woods; Five Famous Missourians; Missouri Yesterdays; Violet's History of Missouri; McClures' History of Missouri Hall of Fame; Pike County Ballads; Missouri Verse.

For teachers' reference the following are recommended:

Files of Missouri School Journal and Missouri Historical Review for the last two years; Houck's History of Missouri.

The presence of band music at the games adds enthusiasm to the situation. Our orchestra is making a fine showing and we are glad there are prospective additions for next term.

Dr. Hobbs, Mr. Glenn and Mr. Rice had a shooting match Feb. 12. The Courier is unable to publish the results because there is still some discussion as to which one of them is the best shot.
